## OUR PRINTING PLANT.

It is one of the most up-to-date in Ontario. We have added the latest model  
 of automatic (self feeding) press, which will not only hasten the delivery  
 of work, but help to reduce the cost of production. It is better to get your  
 printing from us than to wish you had.

### A SAD STORY

Mr. S. L. O'Boy—That printing I ordered wasn't up to much. I am afraid if I send it out it will "knock" my business instead of help it.  
 Mr. O. B. Bright—Serves you right. I told you to take this job to Walter H. Wigg, where you always get fair treatment, tip-top workmanship and good service.

### YES THE KIND OF PRINTING YOU USE

Often decides the amount of attention given to your appeal for business. The cost of good printing is low, because it succeeds. There is a kind of printing that is expensive at any price, because it is "bum stuff." By placing your order with us you are insured against poor workmanship.

### A Lot of Printed Matter Goes Here

But why? Poorly designed. Poorly printed. Is unattractive. Regarded as so much "junk." Printing done by us commends itself to your customer and gets results. This makes our product the cheapest printing. Customers say they find it so.

### OUR PRINTING PLANT.

It is one of the most up-to-date in Ontario. We have added the latest mode  
 of automatic (self feeding) press, which will not only hasten the delivery  
 of work, but help to reduce the cost of production. It is better to get you  
 printing from us than to wish you had.

### A SAD STORY

Mr. S. L. O'Boy—That printing I ordered wasn't up to much. I am afraid if I send it out it will "knock" my business instead of help it.

Mr. O. B. Bright—Serves you right. I told you to take this job to Walter H. Wigg, where you always get fair treatment, tip-top workmanship and good service.

### YES. THE KIND OF PRINTING YOU USE

Often decides the amount of attention given to your appeal for business. The cost of good printing is low, because it succeeds. There is a kind of printing that is expensive at any price, because it is "bum stuff." By placing your order with us you are insured against poor workmanship.

### A Lot of Printed Matter Goes Here

But why? Poorly designed. Poorly printed. Is unattractive.  
 Regarded as so much "junk." Printing done by us commends  
 itself to your customer and gets results. This makes our product  
 the cheapest printing. Customers say they find it so.

## A SAD STORY

Mr. S. L. O'Boy—That printing I ordered wasn't up to much. I am afraid if I send it out it will "knock" my business instead of help it.

Mr. O. B. Bright—Serves you right. I told you to take this job to Walter H. Wigg, where you always get fair treatment, tip-top workmanship and good service.

YES. THE KIND OF PRINTING YOU USE

Often decides the amount of attention given to your appeal for business. The cost of good printing is low, because it succeeds. There is a kind of printing that is expensive at any price, because it is "bum stuff." By placing your order with us you are insured against poor workmanship.

### A Lot of Printed Matter Goes Here

But why? Poorly designed. Poorly printed. Is unattractive.  
 Regarded as so much "junk." Printing done by us commends  
 itself to your customer and gets results. This makes our product  
 the cheapest printing. Customers say they find it so.
